

ELITE 11 COMBINE - PRO DAY SCRIPT

Please follow filming instructions as detailed. Ideally done with 2-4 WR, and filmer behind QB filming on iPhone/iPad holding the device horizontally. Please keep your video to 15 min or less) After warm-up, please complete the following script of throws – we request an unedited, continuous clip so please complete all the way through without repeating throws. You may practice this script as many times as you like and submit ASAP when you are happy with your best run-through. It is meant to showcase your ability but are also throws/movements that when repeated hopefully improve your game as well
